Thank you for choosing Fort Pierce for your seasonal dockage. A 72 hour notice is required prior to arrival into the marina.

A deposit will be charged to your credit card. If you choose to cancel your reservation, you are required to give a 21-day notice in writing to avoid the forfeiture of your deposit. A dockage contract will be mailed or sent to you to complete. Please sign the back of the top copy and return along with a copy of:

- 1 Drivers License
- 2 Vessel documentation
- 3 Declaration page of insurance showing \$300,000 liability, policy expiration and showing the Fort Pierce City Marina as certificate holder/additionally insured. Fisherman's Wharf Marina requires that you name the Fort Pierce Redevelopment Agency and the City of Fort Pierce as additionally insured.

Fees are due by the 10th of each month and can be charged to your credit card automatically by filling out the authorization form below or by making other arrangements for payment. Upon departure, monthly fees are prorated for ½ month if departing before the 15th of the month. Departure on or after the 15th of the month requires the full month fees due.

Please indicate on the contract your length of stay, if you will be using cable TV and if you will be liveaboard. Your cooperation is appreciated. Please feel free to call if you have any questions.
