Address

Vessel Name

Once a hurricane watch has been posted for the Treasure Coast area, my intentions are as follows. Please initial your option and sign below.

- 1 _____ Plan to relocate my vessel to a haul out facility
- 2 _____ Plan to relocate my vessel to another location locally other than
 _____ the Fort Pierce City Marina
- 3 _____ Plan to relocate my vessel out of the hurricane warning area.

- 4 _____ Plan to leave my vessel at the Fort Pierce City Marina where I
 agree to have the necessary insurance on file naming the marina as
 additionally insured. I have reviewed and understand the new 2006
 state legislation relating to the hurricane laws as it relates to marinas. I
 understand that I am responsible for any damage to City property
 caused by my vessel.

- 5 _____ I will be responsible for the hurricane preparation of my own
 vessel.

- 6 _____ I will hire a management company to do whatever is necessary
 to prep my vessel for hurricane conditions.

Signature

*Electrical power to all vessels will shut down up to 36 hours prior to a named storm arriving. The marina does not have the staffing to secure all vessels prior to a hurricane as there first priority is to secure the facility. The marina staff would recommend that you do relocate your vessel. **“Do not assume this is a safe harbor”**. If you have any questions relating to the hurricane policy, please contact the marina manager or dockmaster at 772-464-1245 or 1-800-619-1780
